An INDEX for  
Francis J. Van Den Wyngaert's book  
**The West Howe Sound Story**

compiled and produced by  
The Elphinstone Pioneer Museum

PLEASE NOTE: This book was self-published by the author. Unfortunately, the printing company chosen was not great. The book's binding is very fragile and there are numerous cases of misspelled names. Every effort has been made to document the misspellings but undoubtedly some have been overlooked.
